Alt Title	The Thousand Eyes of Dr. Mabuse

Director	Fritz Lang.
Rating	□□□

Review	Fast-paced, witty thriller, intricately plotted but crystal clear: using the secrets of the original Dr. Mabuse, a modern-day criminal genius blackmails the wealthy, resorting to murder as necessary. Lang's last film as director, marking a strong return to form. Beware of alternate versions still in circulation: THE SECRET OF DR. MABUSE and THE DIABOLICAL DR. MABUSE.
